**REBECCA JEFFERSON**  
**OPEN AIR CAMPAIGNERS**  
**BALTIMORE-WASHINGTON BRANCH**

It has been such a blessing to serve as a missionary in this area! I have been on staff with Open Air Campaigners for nearly three years, and God has opened doors for me to share on the streets, in public schools, in homeschool co-ops, in senior homes, on college campuses, and in front of an abortion clinic to share the Gospel. Want to partner with me? Want to help me to reach people in this area for Jesus? Then just go to [oacusa.org](http://oacusa.org), click donate, then US Projects, fill in your name, find my name in the drop-down box, and **BAM!** Join the team!
