

Smart Family Newsletter Open Air Campaigners Winter 2017

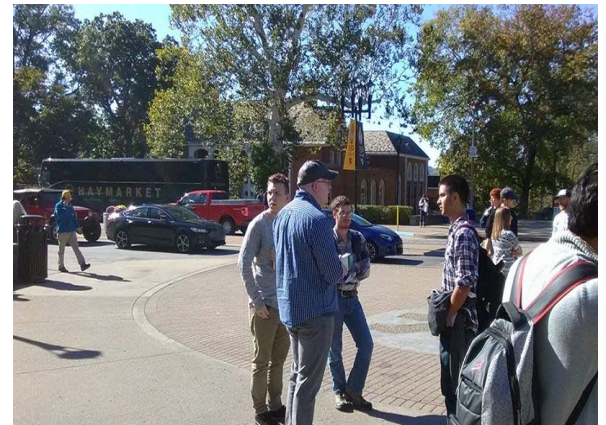

Our Mission

Hi friends! Thank you for your prayers and financial support. Your support makes our ministry possible. Open Air Campaigners evangelists raise all their support through generous supporters like you.

Our mission is to “present Christ by all means everywhere.” Most of our ministry is on college campuses in Central and Western PA. The vast majority of students are totally unaffiliated with any church and either have never heard or have a distorted view of God’s gospel. There is a great deal of emphasis in our age on getting lost people to come to our churches. We believe that the Bible emphasizes mobilizing the church to bring the gospel to the lost. Whether the electric environment of a college campus or in a small town hosting a Kids Club, we find many great opportunities to preach the gospel.

Preaching the classic OAC message “Are You Sure” at the University of West Virginia. This simple gospel message shows the urgency of trusting in Christ alone to save us from our sins.

Personal counseling after proclaiming the gospel gives us an opportunity to answer questions. We break up into groups. The young man on my far right with his back to the camera is a Muslim talking to our friend Jaycen. The man on my right is an atheist, the one in the center is a believer, and the one on my left grew up going to church but is now uncertain but open to the truth. This is a typical follow up.

PRAYER REQUESTS:

- COMMUNICATING THE GOSPEL EFFECTIVELY
- OPPORTUNITIES FOR GOSPEL CONVERSATIONS
- HEALTH FOR OUR FAMILY
- WISDOM AND STRENGTH IN MINISTRY AND PARENTING
- FOR GOD TO RAISE UP MONTHLY FINANCIAL SUPPORTERS

We love hosting Kids Clubs! This club is held in the Fall and Spring at a local multi-housing area. The management of this trailer court gave us a great spot on an empty lot to hold a weekly Kids Club. Many of the children who attend these clubs come from families who do not attend church and have no familiarity with the Bible. We teach the storyline of the Bible starting from creation to the life, death, and resurrection of Jesus. Every week the kids are taught how the whole Bible points us to our need for God’s forgiveness through faith in Jesus.
