L. DOCTRINAL AGREEMENT

- **The Scriptures:** We believe God inspired all the words of The Bible without error in the original writings to give mankind His authoritative message.
- **The Godhead:** We believe in one God eternally existing in three persons: Father, Son and Holy Spirit.
- **Jesus Christ:** We believe in His full deity, His virgin birth, His real humanity, His sinless life, His substitutionary death, His bodily resurrection, His ascension into heaven, His present ministry as High Priest and His future, personal return to this earth.
- **The Holy Spirit:** We believe in His full deity. He convicts sinners and saves those who believe in Christ. He indwells, seals and places believers into the body of Christ. He gives spiritual gifts and the power to live the Christian life.
- **Man:** We believe that God created all things as described in Genesis. We believe that the first man, Adam, sinned bringing spiritual death to all mankind, who, therefore, stand condemned, making the new birth absolutely necessary.
- **Salvation:** We believe that God gives eternal life to those who repent and put their faith in Christ alone, justifying them by the blood of Christ and imputing His righteousness to them.
- **The Church:** We believe in the universal church to which all believers belong. We believe in the importance of the local church which is made up of believers who gather for worship, fellowship and teaching. We believe in the responsibility of the Church to fulfill the Great Commission of Christ, preaching the Gospel to all nations.
- **The Future:** We believe in the eternal existence of the soul, the resurrection of the body, the eternal blessedness of believers, the eternal punishment of unbelievers.

Charismatic Statement

We believe that the baptism of the Holy Spirit places a believer into the Body of Christ and therefore is experienced at the moment of conversion. Every believer should be daily filled with the Holy Spirit to enable him or her to use sovereignly bestowed gifts for a fruitful ministry. We do not believe that “tongues” and associated manifestations are the unique evidence of such baptism or that man has any power of himself to do the works of God.

We, therefore, ask that our full, intern and associate staff, along with board, committee members, voluntary short-term workers and seminar students only preach those doctrines in agreement with our statement of faith and the above clarification statement. We desire to be zealous about the things that truly build up the Body of Christ, give glory to God and clearly communicate the saving message of Christ to a lost world.

I agree with the above doctrinal statement as written including the Charismatic statement and agree not to propagate any doctrines other than those listed above:
