Open Air Campaigners

JANUARY 2018

Dear brothers and sisters in Christ,

THANK YOU all for your prayers and support in the ministry. I had a great summer and fall in the open air. As I preached and shared with people in the area, God gave me some good meetings and many divine appointments.

CAMDEN NEW JERSEY is a town plagued with crime. Drug dealing is rampant and many have fallen victim to drug addiction. It's a good place for my friend, Joe Toy, and me to preach the Gospel. I met Jim, who was a heroin addict, who came to his senses and realized he needed God's help after hearing the Gospel. I was able to help him understand how to receive Christ and got him started on the right path.

I gave him my New Testament and some tracts for guidance. He promised me that he would pray and trust Christ after we spoke. We prayed together, and he went on his way. Another young man in Camden, who was a heroin addict also came to me and asked for guidance and prayer. I was glad to help these young men and trust that God will deliver them from their addictions.

AS I PREACHED THE GOSPEL at the Frankford Transportation Center, a young Muslim in a taxi cab behind me asked me a question. "Do you mean to tell me that good people don't go to heaven?" What a good question! I explained to him that he would have to keep the Ten Commandments to be good enough to get to heaven. After I reviewed the commandments with him, he realized that he was not good enough to go to heaven. I explained the Gospel and gave him a tract designed for Muslims.

IN WILMINGTON DELAWARE, while passing out tracts, I met Doug. He is 54 years old and lost his job and wife to alcohol. He had a good job with full benefits, but lost it and his wife after he started drinking. Doug told me he just gave up. I gave my testimony and told him how God delivered me from drugs and alcohol and gave me a new life in Christ. God gave me many verses to share with him and told him that Jesus Christ is the answer and challenged him to trust the Lord as his Savior. He told me he was greatly encouraged and would give his life to Christ and find a faith-based rehab program.

IT IS A PRIVILEGE and a blessing to be used to help bring people to Christ in the open air. Your prayers and support are an important part of my ministry. Support gifts needing a tax receipt should be sent to OAC, PO Box D, Nazareth, PA 18064. Personal gifts that do not need a receipt should be sent to our home address listed at the top of this letter rather than the mission. If you have any questions about this, please call us at 610-522-2775 and we can explain it more in detail.

Yours in Christ,

Dave & Joy
